

Indian National Shipowners' Association (INSA)

A Brief Note on the Association:

- The Indian National Shipowners' Association (INSA) established on 2nd December, 1929, is the collective forum of India's national shipping industry. INSA was established with the abiding objective of protecting the common and shared interests of members' in the industry.
- It enjoys the status of representative spokesman with the Indian government for the industry at the national level and as India's representative at the international level with agencies like IMO, ICS, BIMCO among others.
- As the torchbearer of the Indian shipping industry, INSA is committed to promoting the overall development and profitability of the shipping industry by making it competitive, ensuring the growth of its seafarers through regular training, its seamless integration/compliance with international shipping regulations and safeguarding the strategic trade/economic interests of India.
